**Supporting Environmental Stewardship & Our Youth**

#### **PALMETTO DUNES CARES...**

- About our island's unique environment
- About our local youth
- About building camaraderie among our neighbors, our visitors, and our youth to preserve the island's natural habitat

Palmetto Dunes Cares is a charitable organization whose moto is; *giving back while building community*. Our mission is to support local youth and enhance the natural environment in the greater Hilton Head Island area through grants and scholarships.

Since inception in 2018, PD Cares has awarded \$155,000 to local non-profits in the greater Hilton Head area. This year we are creating new initiatives that focus on building an environmental stewardship community that actively supports and engages our local youth & all who live, visit, and work in Palmetto Dunes.

Be on the lookout for new programming announcements!
