▶ Resort Rules & Reminders

PARKING

Only park in a driveway or designated parking spot—never on the grass or in the road.

BICYCLING

Walk **and** bicycle on the pathways where available. And remember—automobiles have the right of way in Palmetto Dunes!

NOISE

To be a good neighbor, minimize outdoor music and shouting.

TOWELS

To keep our community beautiful, drying towels or clothing on porch/deck railings isn't permitted.

TRASH & RECYCLING

Here in PD, the waste service companies enter your residential service area and empty the trash and recycling bins for you. Please do not bring bins to the edge of the roadway.

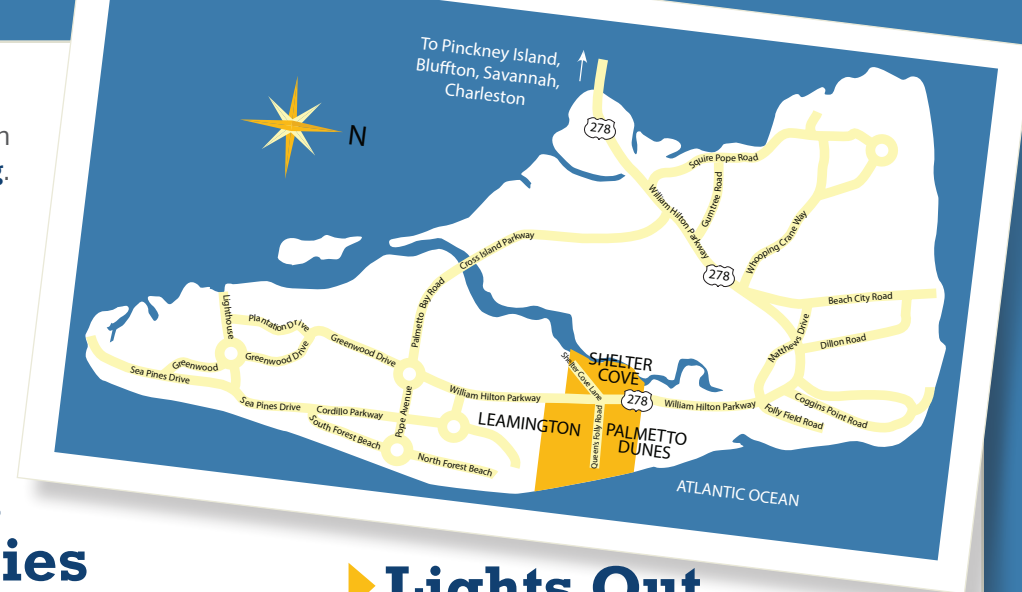

ALLIGATORS & WILDLIFE

Alligators are dangerous! For your safety, do not feed or disturb animals of any kind.

▶ Activities & Amenities

With more than three miles of shoreline, PD offers plenty of room for relaxation and fun. There are numerous beach accesses, including the Dunes House and the Disney Beach House parking areas. Try a round of tennis or pickleball, or play golf on one of our three championship courses. Lessons, clinics, fittings, and tournaments are available. Rent bicycles or kayaks from Hilton Head Outfitters, or pick up any items you may have forgotten at the General Store. There are also a number of restaurants right here in PD. Enjoy waterfront dining at Alexander's on the lagoon or at the Dunes House, located right on the beach. The Omni features HHI Prime, XO Sports & Spirits, Palmetto Market, and The Buoy Bar while the Hilton Beachfront is home to Bistro Fresh, The Café, Blue, Ocean Blu, and Liquid.

Experience Shelter Cove Marina, which boasts a number of shops and restaurants and hosts Harbourfest with fireworks over Broad Creek on Tuesday evenings in the summer. Visit Shelter Cove Towne Centre and the Plaza at Shelter Cove for even more shopping and dining. Shelter Cove Community Park behind Towne Centre features a boardwalk, playground, veteran's memorial, picnic pavilion, and outdoor event stage. There is always something to do in Palmetto Dunes!

▶ Lights Out for Sea Turtles

We are so fortunate to have Loggerhead Sea Turtles nesting right here on the beaches of Hilton Head Island! How can you help keep them safe?

Flatten sandcastles and fill in holes dug on the beach. Leave nothing except footprints between sunset and sunrise so our turtles don't become injured or trapped.

Turn off all beachside lighting at night and only use LED flashlights with red bulbs for night beach walking. (White lights are harmful to our nesting mother turtles and hatchlings.) **The Town of Hilton Head Island requires that lights on structures visible from the beach be turned off after 10 p.m. from May 1 to October 31. Windows must be covered by draperies or shades.**
