

Green Energy Program – 2026 Pilot

Welcome Landscaping Partners!

Palmetto Dunes Property Owners Association (PDPOA) invites your company to join our Green Energy Program for 2026. This initiative helps you transition to battery-powered backpack leaf blowers, reduce noise, and support a cleaner environment. By participating, you'll gain exclusive benefits and recognition as a sustainability leader in our community.

Why join the Green Energy program

- Receive up to three Green Energy decals for your vehicles.
- Green decals replace the standard Palmetto Dunes 2026 contractor access decal at no fee (valid through January 2027).
- Enjoy pro-rated reimbursement if you switch mid-year.

What we ask from you

- Use only battery-powered backpack leaf blowers when servicing Palmetto Dunes properties.
- Display the Green Energy Decal and No Gas-Powered Leaf Blower placard on your vehicles for easy identification.
- Sign the agreement below confirming compliance.

Company Name: _____

Contact Person: _____

Phone: _____

Email: _____

Number of Green Energy Decals Requested (max 3): _____

Agreement:

By signing below, you confirm that your company will use only battery-powered backpack leaf blowers when servicing Palmetto Dunes properties with a Green Decal and placard. Failure to comply may result in decal revocation.
